Charity Race for Youngstars International

We promote national Youngstars Movements which support free time activities for young people in collaboration with churches – achieved through training and coaching leaders to teach Christian values in an informal way.

Where do we run?

From the 14th to 18th of March 2024 the national Youngstars coordinator will meet in Switzerland for their annual gathering.

Apart from celebrating our 10th anniversary, networking, and exchange, participants will take part in a charity race supporting projects of the nonprofit organization Youngstars International (YI).

How do we run?

Participants will roll a tire-like 25kg cheese over an offroad terrain as far as they can for 5 minutes. You can sponsor participants with a multiplied amount for every 25 meters completed or with a fixed amount for taking part in the race.
