

Juropa

- Blessed staff weekend, although we had less participants than we expected
- Full recovery and health for Cornelia after a severe pneumonia
- Prayer evening on February 10th 2015 at Prisma church in Rapperswil (CH): hopefully many board members will be able to attend. Pray also for commitment and dedication to the Juropa ministry from this church

Hungary - Bibliai Kaland Tabor

- We are in the middle of planning this year and currently gathering ideas and resources. Unfortunately the new leader (Attila) has resigned (he got a very good job offer from his company). Pray for a smooth transition and handover - the couple who has the leadership at the moment is tired and would like to have less responsibility in the future.
- From March to June we have a volunteer (Nicole N.) from Switzerland. We pray that it will be a beneficial time for all of us.

As the Father has loved me, so have I loved you. Now remain in my love! John 15:9

eTeam (operative team)

- Pray that we can finish the entry in the Commercial Register YS Int. soon.
- For the preparation of this year's NCM (National Coordinator Meeting) in Lithuania.
- Pray for Daniel, he goes through a period of spiritual warfare at the moment.

Switzerland - Besj

It is still very uncertain if the Besj will get financial support from the government in the future:

- Pray that the relevant authorities will make a decision in our favor.
- We are thankful that God is also providing for us through this difficult financial situation.

Preparations for the national team weekend in March:

- Pray for wisdom in preparing this event, that we plan what God wants to bless!
- We are thankful that we have already far more than 600 people enrolled (we expect approx. 1'000 people).

Austria - Aböj

- During the week before easter we will have two training courses. Pray, that many participants will register and for a good preparation process.
- In Sommer 2015 we plan seven tent camps. Please pray with us that we find the needed volunteers, that the planning and preparations will go smoothly and for many children who will come.
- Somewhen during this year we plan to appoint regional coaches in two of the four regions. Pray that wir find the right people who will be willing to take over this position.

Lithuania - Word of Faith

- Please pray for our „Word of Faith church association“ which is going through a recovering process after deep leadership crisis.
- In spring/summer we are planning a special outdoor training for young leaders. We need the Lord's help in finding the right time for that.
- On July 11-17 and 19-25 we are having National teens and kids camps. Please pray for the preparation process, devoted volunteers and a big harvest of young souls!
- Also prayers are needed for the preparation of the NCM (National Coordinator Meeting) of YS Int. in April/May in Lithuania.
