Ukraine - Nasledie

- Praise God for the open doors we have in 14 orphanages, and for four groups through which churches are reaching out to unbelieving children.
- Here in Ukraine we are well underway with writing camp programs for the summer even though we do not know how the war will impact our plans. Please pray for our teams of camp coordinators. Also pray for us to find a campground for this summer. We have a couple of options, but needless to say, things are really complicated in Ukraine at the moment.
- Please pray for peace to be restored.

Romania - Micii Exploratori

Thankful for:

- The „Weekend of encouragement“, where we celebrated Micii Exploratori's 10th anniversary
- The start of our secondhand project in Switzerland which should help the YS ministry in Romania financially

Pray for:

- Daniel Horst's succession
- Please continue to pray for Andreea Plockuy's health
- The leadership training from 14. - 21. April 2015

Bulgaria - СИП

- We pray for good leaders for the camps and the basic training this summer. We urgently need more coworkers who are willing to get involved in a local YS group. We hope that many of these future leaders will attend this course.
- From 2.- 5. April our spring camp will take place. Please pray that the seed will fall on good ground and will bear fruit. May the Lord change many people's heart and life.
- The YS group in Hisar needs new leaders. Otherwise we have to stop these meetings.
- We are so thankful for the many excited children in our YS groups, especially for the ones who don't come from Christian homes.
