England - Unity

- Our plans are going well for our camp in August, and nearly all the Unity members are coming. About 25 children. Praise the Lord.
- We are concerned about some of our older boys (14 years old) from unbelieving families who may be beginning to drift away from our Friday and Saturday meetings.
- We also have concerns for 2 sisters who no longer attend our meetings even though they used to enjoy them so much. We believe their father is upset with the family of another Unity child and is keeping them away. They have not signed up for camp. We miss them and are sure they will be missing us. Please pray.
