

Juropa

- We had great and motivated participants at the anual staff weekend in January
- Juropa has a new member of the board
- We still need 1 - 2 people for the board.

Lithuania - Word of Faith

- Please pray for more workers and renewed strength and vision to all Youngstars leaders in local churches.
- Rasa, Raminta and Eduardas are having a challenging time for important decisions. May the Lord guide and empower them for more fruitful ministry in His Kingdom!
- Please pray for the young leader training on March 10-13 and the summer camps in July 10-16 and 18-24 - that there won't be any lack of spiritual, human and financial resources.

YS office

- Pray for the preparations of the NCM from 11th - 17th April in Hungary. We hope that all the NCs and some of their important coworkers will be able to attend and that they will be blessed.
- At the moment we as association of YSint. apply for tax exemption in Switzerland. Therefore we need to make further investigations. Also some changes of the statutes need to be made. Please pray for a smooth process and a positive decision in the end.

Hungary - Bika tabor

- A new, young leadership team is developing, with some very encouraged and talented people.
- At the end of January we are going to have a team-building weekend. Please pray for our promotion work and for accordance in the planning period.
- Our summer camp will be from July 5-23 on the subject of OLYMPIA'16.

Switzerland - BESJ

Thankful for:

- already 1'000 registrations for the BESJ team weekend (national leader's meeting of the BESJ) in March 2015
- the support of the BESJ board and the church associations
- the nine new regional leaders

Pray for:

- wisdom in planning the different topics of the sermons and workshops of the team weekend
- at the moment we are looking for volunteers for our training courses - please pray that we'll find the appropriate people
- Pray that we get a response soon referring the subventions of the government (finances)

Austria - ABÖJ

- The revision of the training course manuals takes more time and effort than we thought. Please continue to pray for Sabine, a good progress and that the two manuals for the first two trainings in March will be finished in time.
- Let's pray for the training courses in March that many will participate and that the preparations will be successful. It is our desire that the trainings will be a blessing for everybody who is involved and to the groups and churches which are represented.
- We as ABÖJ would like to employ another person at least part time. We pray that God shows us this person and that we get everything which is needed for an employment.
