- Soon Ursula and Hans-Georg will go to Switzerland for the birth of their child. Please pray for a good birth.
- Please pray for the planning of the camps and trainings, especially as Hans-Georg is in Switzerland. Please ask the Lord that more young persons can get motivated for the trainings and the Youngstars ministry.
- We are thankful for the part-time collaboration of Mischi.
- The Youngstars activities in Hisar only take place when they do it, including the planning. Many children participate who are excited about Youngstars but who would not come to church. The local leaders show a lack of time and motivation.
