

YI-Office

- In May we received the answer that the application for the tax exemption was approved. Thanks to the Lord!
- From June 2016 till June 2017 Daniel Horst (CEO) will have a sabbatical as they return to Switzerland as family. Please pray for the remaining team as they have to take over his tasks: Rudolf Hächler (financial administration, admin of legal issues), Susanne Beier (vice CEO, Office-Admin, Coordination,...), Cornelia Mühlematter (Book keeping)

This, then, is how you ought to regard us: as servants of Christ and as those entrusted with the mysteries God has revealed. Now it is required that those who have been given a trust must prove faithful.
1 Corinthians 4:1-2

Spain

- We are thankful for a successful 5month training for 3 teams of local churches. After summer they will start 2 new teenager and youth groups. They are now doing the planning for these groups. Dan will coach the two teams and we ask God for wisdom and good ideas.
- The foundation process of the Spanish YS association has mostly come to an end. We are thankful that the day-to-day business is working out and everybody is doing a good job.
- Dan and Raquel still are rising founds. Please pray that God touches hearts and move people to support them financially. As YS-association we reduced our activities so that they can dedicate themselves to this.

Italy: Youngstars group in Volturara Irpina

- We are very thankful for our anniversary celebration on 14th of May. We celebrated 22 years of Youngstars in Volturara. We had a great celebration although the weather wasn't so nice and we had to adapt the program. Many children of our village came but sadly not so many parents. But we had a lot of guests from Switzerland and Italy. On Sunday we celebrated the 33 anniversary of our evangelical church in Volturara. We are glad that we could be a testimony to our village especially as it was Pentecost.
- From 2nd to 9th of July there will take place our yearly summercamp with the theme "Gold digger". Unfortunately this year we will be a small team but we are motivated and pray for a successful camp. We pray that the participants will find precious gold in the shape of friendships, experiences and the presents of God!
- From 19th- 23th we will do a children week in Volturara. Therefor we also ask for wisdom and strength to realize it and we hope that also this year we will reach lot of children in our village.
- A part from our local group many Italian YS-groups will do their camps or weekends during the summer. Please pray for safety and that the Word of God touches many hearts.
