

Youngstars International Prayer July

2018

Italy

Youngstars Group in Volturara Irpina

- On 30 June our Youngstars Summer Camp began, on the theme of "Swiss People".
- We pray for success and for open hearts among the children. The group includes a couple of "little rascals" who aren't easy to lead. We pray for protection (also from ticks) on the 2-day hike on Tuesday and Wednesday.
- From 17 - 21 July the Children's Week will take place, also on the theme of "Switzerland". We hope we can reach a lot of children again..
- Thank you for praying once again for our daughter Elena. This will also be a challenging summer for her. In addition, she has had a cold for the last week.

Youngstars Work in Sicily

- From 5 - 11 August we will be helping in a Youngstars Camp in Messina, Sicily.

Youngstars Italy

- We are pleased about two / three new contacts with churches who are interested in local Youngstars work. We are curious as to how it will develop. (Mirjam and Valentino Mistreanu with 3-year-old Elena)

Not one of all the Lord's good promises to Israel failed; every one was fulfilled. Joshua 21:45

Juropa

Thanks

- Markus Wagner returned safe and sound from the Ukraine and with many impressions of his mission there at the beginning of June.

Prayer Requests:

- We desperately need time, strength, and wisdom to revise and update our PR work such as home page, media reports ...
- For our Code of Ethics: A few more documents need finishing and will soon have to be handed in. From this year, new certification regulations are in force. This is very labour intensive.
- An experienced young leader knows she has been called by God for Juropa and plans to work part-time with us from October. We pray for clarity and wisdom for the Executive Board in the decision as to possibly hiring her and then for the necessary finances.
- We think it is important that the secondos should also have the opportunity to attend a Youngstars group.

Youngstars International

Thanks

- For the intern. TLT in September we have a leadership team of 4 people. That is truly a gift, and we have use of a warehouse in Romania free of charge. PTL!
- **Teenager Camps Austria:** The chief team leader suddenly had to withdraw for health reasons. Three leaders have spontaneously responded to an appeal for help. Now we are only looking for a female leader.

Prayer Requests:

- John and Yvonne Macy from Brazil spent three months in northern Iraq. *It would be even possible to do Youngstars and train leaders in Iraq – please pray for people to be called!*
- **Ukraine:** One camp after the other is taking place in Camp LELA near Odessa.
- **Moldavia:** Noemi and Marta from Switzerland will be in Moldavia from 21 - 30 July as support for the Summer Camp.
- **Bulgaria:** We are looking for worship leaders and staff for the Summer Camp, as well as a kitchen team for the Teenagers' Camp. Stefanie and Sarah are on an outreach in Bulgaria.
- **Finances for YSint**
