

Youngstars International Prayer October

2018

Bosnia

- Had a very good summer camp. Praying for a fruitful outcome.
- We are considering our plans for next year.
- Our children's classmates are not attending our meetings as regularly as before.

Spain

- Pray for a good transition of the national leadership, from Susanne to Dan.
- For the new and young staff that will start working with us this year, that they quickly pick up responsibilities.
- For the finances, we need to develop a self-sustainable ministry this year to cover the basic costs of the ministry (office, travels, activities...)
- Please pray for a lot of wisdom for the whole staff as we enter this new stage in the ministry, moving to Barcelona, changing the national coordination, creating a new staff and developing new projects in the area with new churches. That God will open the doors of the churches to us and we can start serving and doing ministry in many new places..

*Now, our God, we give you Thanks
and praise your glorious name 1.Chr.
29:15*

Youngstars International

Thanks:

- In Poland and Hungary things are happening. God has called people.
- Thanks for the international Team Leader training with participants from six nations in Romania at the beginning of September. It was a challenging course but much was accomplished. Participants were encouraged to start local groups in their own countries.

Prayer Requests:

- Pray for the Youngstars ministry in Moldavia and for wisdom to know how to go forward: establishing an association, national leadership.
- Ursula Gerster caught a bad bout of pneumonia during the Team Leader training in Romania. Hans-Georg, Ursula and Nathanael were then able to spend an extra week in Romania to recuperate. Back in Bulgaria, little Nathanael also caught pneumonia. Both are now better. Please pray for the health of the whole family.

Juropa

Thanks

- Sarina Schröder starts working 40% for Juropa from October.
