Youngstars International Prayer November

Brazil

- Thanks to Crowdfunding we have raised enough money to organize a Leadership Training and purchase valuable basic equipment and material so that we can set up the Youngstars in Sao Paulo.
- Thomas and Katrin Abplanalp travelled to Brazil with a team to assist with the Leadership Training in September
- A camp held in Minas Gerais changed the congregation. This is making more and more waves. There's lots of interest on all sides in Brazil.

YoungstarsWiki

- We thank God for being able to employ Benjamin Jenni on a 20% basis, and that we could present YoungstarsWiki at the Advent youth meeting.
- The course documentation needs to be improved and adapted.
- Our finances fall far below the annual target. We are looking for sponsors and companies.
- Planning the redesign of YW.
- We are looking for a new President of the Association from 2019.

Oh, praise the greatness of our God!

Juropa

Thanks

- Sarina has started working for Juropa with great enthusiasm and has already been able to publish plenty on Facebook and Instagram.

Prayer Requests:

- Supervisory Board Retreat on 24 November: among other things we'll be working on the subject of impact assessment for the Code of Honour.
- Please pray for more participants for the Intercultural module from 19 + 20 January.

Youngstars International

Thanks:

- We had a good Supervisory Board retreat for Micii Exploratori in Romania. The S- Board takes on responsibility and shows initiative. It is very gratifying that 60-70% of donations this year came from Romania itself.
- Nelsy in Cuba has finished her first introductory course with 9 participants.

Prayer Requests:

- On 5 November Daniel is at the Bible School Brake in Germany to introduce Youngstars International.
- From 8 - 11 November is the annual S- Board meeting together with Daniel H. for Youngstars International in St. Gallen. The main topics for discussion are strategies for further work and goals for 2019.
- Please keep praying for the Youngstars ministry in Moldavia.
- Keep praying for complete healing and health for Ursula and Nathanael Gerster in Bulgaria
