Youngstars International Prayer December

Ukraine Odessa

- We were able to carry out a trekking weekend at the end of October. In November we had the opportunity of visiting the children in a few orphanages. We are soon going to start the Winter Day Camps in a number of orphanages where we play with the children and share the Gospel.
- Starting up new Youngstars groups.
- That we also have enough leaders and funds available again for next year, as well as lots of cool ideas for programmes. **(Slavik Puzanov)**

Austria

- We are grateful for the start of two new Youngstars groups in Salzburg and Leibnitz
- We are currently building the new Youngstars Camp website, revising the 2019 course documentation, and planning to offer three new seminars next year.
- Over recent months our staff has been doing more and more overtime. We would like to increase the number of paid hours for each job, but this means we need more donors and donations.

Prayer Requests:

- Wise implementation of Board decisions
- 19/20 January Intercultural Module: so far, only two people have registered. We are praying for at least 20 participants.
- Wisdom for Sarina as to how to plan operations for 2019 and how to accompany the participants in the operations.
- For a positive end of year audit, because we have payments amounting to CHF 30,000. - due in January alone.

Sarina Schröder

- That we make good progress on the fine details of the new homepage during the holiday work sessions.
- That we can not only share information through social media but also be able to reach a wider community.
- Unity in the Lord so that whatever we do, we are all pulling together.

*Then you will call on me and come and pray to me, and I will listen to you.
