

Youngstars International Prayer February

2019

Spain

- We had changes in the board together with the new national director (Dan Adrover). Pray that the new directive team can work together well, listening to the voice of God and His guidance
- The new board has to make many changes in the corporate statutes and the way of working, for the good of the ministry. Pray that these changes can be made in the best way and that they will help the ministry to grow in size and strength.
- Pray that our activities and camps will be full of new teenagers willing to hear the Gospel and the Word of God.

*Now, our God, we give you Thanks,
and praise your glorious name.
1 Chr. 29:15*

- Markus has applied in Poland for the foundation of Youngstars Poland, prays that he will be accepted
- that the right people will be found for the board of Youngstars Moldova and that things will move forward with the foundation of this association.
- Lithuania has been looking for a solution for a long time so that the national leadership can be handed over to younger hands.
