

Youngstars International Prayer March

2019

Youngstars in Lithuania:

- We have already planned three summer camps and two trainings for volunteers.
- It's quite challenging for us to maintain international collaboration with Youngstars because the previous team experienced a lot of changes in their lives and are no longer able to be actively involved in developing the ministry.
- Please pray for the Lord's guidance for Youngstars in Lithuania and a National Coordinator.
- We mean to continue moving forward all the same, and to send participants to the Team Leader Training in Poland.

West Ukraine

- For some years now there has been a local children's week every summer in Wassilkow (near Kiev). Each year they have more applications. Their main concern is a community tent.
- The team would love to be trained in rope technique because the children are so enthusiastic about rope bridges and ropeways. They would like to be able to offer a course near Kiev. They are looking for experienced leaders from Switzerland to support them.
- Pray for the three main leaders: Oxana, Olja and Tolic.
- In April we travel together to the NCM in Odessa. I hope very much that they will be encouraged and strengthened and that new contacts will arise. (**Silvia Matzinger**, Member of the Board, Europe)

So we fasted and petitioned our God about this, and he answered our prayer. Ezra 8,25

Juropa

Prayer Requests:

- We are looking for YS leaders for a summer camp in Italy north of Como who can help in July.
- European Jubilee Year: What is it and who is helping?
- Prisma Outreach Team: We need at least 2 leaders and 8 participants who would like to join an outreach in Poland at the beginning of October.

Youngstars International

Thanks:

- Youngstars Polska: Markus Karzelek was able to register the association in Poland
- Last month two new Youngstars groups started in Romania
- We now have 5 people from different church backgrounds who are willing to join the board of Youngstars Moldova. Vitalie is now about to start the registration process.

Prayer Requests:

- So far we have 32 registrations for our NCM (National Leaders Meeting) in April in Ukraine.
- Sponsored run: since it is something unfamiliar and new for most countries, we pray for open hearts and courage to risk something new and for many donations.
- Please pray for all preparations for the NCM.
