

Poland (Markus Karzelek, National coordinator):

- We are experiencing something like the calm before the storm here right now. Please pray that we can prepare a lot in May so that the summer won't be too stressful.
- In June we will hold two introductory courses in Upper Silesia and Central Poland.
- We were asked to lead a program for children of Youngstar age at the conference for the 110th anniversary of the Brethren Movement in Poland. This will give many children the opportunity to participate in a Youngstar programme for the first time in their lives.
- In July and August a basic training course and a summer camp will follow.

*The heavens praise your wonders,
Lord, your faithfulness too, in the
assembly of the holy ones.
Psalm 89:6*

Juropa

Thanks:

- Our new homepage could be launched:
www.juropa.net

Prayer Requests:

- 17 May, 18.00 h: Juropa general meeting in the Prisma, Rapperswil
- Our goal is to inspire more former Youngstar leaders for the vision of Juropa and to release their resources for our international work.
- We pray urgently for vocations, that many good staff members will come forward for the outreaches, especially for the autumn assignment in Poland, and that young people can be found from the Prisma.

Sarina Schröder

- Sarina and Daniel were able to present Youngstars International / Juropa at the Bible School Beatenberg.
- Many thanks for the NCM, for the group exchanges and new relationships that could be established. I was also able to lead a workshop.
- Thank you for the opportunity to share with a mission organization and to work more with that organization in the future.

Youngstars International

Thanks:

- for the blessed NCM in Odessa with the charity race. Since many of the participants were not familiar with this kind of fundraising, the result was a knockout - about € 10,000.

Prayer Requests:

- Relatively spontaneously I flew from 26 - 28.4. to Lithuania. The goal was to win young people for Youngstars and to have a strategic meeting. Pray for Stepanus for a calling, who might be considered for a vocation for Youngstars Lithuania.
- Continue to pray for Moldova and the process of founding the association.
- Please pray also for the Ukraine and how we should continue to move forward strategically
- Please continue to pray for new countries such as Slovenia and Israel.
