

Youngstars Ukraine:

- In Wassilkov they would like to have their own room for their Youngstars meetings.
 - In Odessa they will make useful things out of wood in the near future, like a birdhouse, a chair, etc. with the young people. They also wish to have a good relationship with the children.
 - It is important for us to have a good relationship with the children and also with their parents or relatives. Wisdom and love to lead and support the challenging children.
 - Group in Odessa by Nikolay: Wisdom in dealing with new children, more leaders for our team.
 - From 15 - 19 October there will be a Leadership Training in the east of Ukraine in the military zone. Pray above all for the preservation of all persons involved. Daniel Horst will also be there.
 - We would be happy if new Youngstarsgroups could be formed.
- (Nikolay Niuniaiev, new NC Youngstars Ukraine)

*But I have calmed and quieted myself, I
am like a weaned child with its mother;
like a weaned child I am content*

Youngstars International

Thanks:

- For the Instructor training, which has once again left its mark. For unity, for Gods speaking and for preservation.
- For Stepanus, who started a new Youngstars group in September in Lithuania
- For the board weekend in Romania and Gods acting. Cosmin gave us his resignation just before the weekend. He wants to take a break in the next two years and then get back. Virtually at the same time we received his resignation, Simona got her calling for Micii Exploratori. So she can take over Cosmin's job. PTL!!!
