

Youngstars Italy:

- The school will start again in mid-September. The new safety regulations pose a great challenge to the entire school system (throughout Italy). We pray that the school will serve the children in the best way and we pray for the safety of our kids from YS.
- We are preparing for the new youngstars year. We are thinking about how we can experience great events with the children despite safety regulations. Surely there will be more outdoor programs.
- Thank you when you pray for the youngstars groups in Volturara Irpina and Sassuolo.
- We pray for Italy and that through the Youngstars ministry families and children will be reached with the Gospel. We pray for good innovative ideas to inspire the churches with YS. Italy needs Jesus!
- For our daughter Elena(5) the third and last kindergarten year will start. Once again there will be a change of teachers and we will probably be surprised on the first kindergarten day.

Prayer Requests:

- We are required to prepare some important documents for the code of honour.
- Financially, we want to grow to give to others who urgently need it in the current situation. Furthermore we want to support the YoungstarsWiki with CHF 5'000.00 for its relaunch. THANK YOU.
- Kurt and Cornelia Mühlematter led an adventure camp in the Bernese Oberland with 9 young people from the church in Prisma. There we helped an organic farmer on the alp. Actually an outreach was planned in Hungary.

Youngstars International

Thanks:

- Many participants have registered for the basic training in Hungary. The construction camp combined with the basic training was quite challenging.
- At the LST in Romania we had 19 participants. It was a very good course with very willing participants between 16 and 50:-). And PTL I was able to fly earlier that I did not have to go into quarantine
- On 12.09 we will start a new YS group here in St. Gallen, YEA:-)!!!

Prayer Requests:

- From 29.8. to 5.9. I will help in the BESJ Teamleader training as a group leader because we had to cancel the intern. TLT and they needed help.
- Please continue to pray for healing for Joel Mühlematter and for the whole family
- For Simona in Romania we are still looking for a car and the remaining finances.
- Please pray for new contacts in European countries where there are no Youngstars groups yet
