

ABÖJ (Youngstars in Austria):

- In the summer, some of the camps for young people could not be held. As a replacement we conducted a Youngstars camp at home. The children received a research box with a camp booklet and various materials.
- On October 3rd we can hold our seminar LIVING VALUE - preventive child protection in Vienna.
- At our general meeting on October 10th we elect new members of the board. Due to professional and private changes the whole board has to be renewed. This presents us with great challenges.
- For October and November we plan again some webinars. Currently we are in the process of inquiring about possible speakers and selecting topics.
- Since the outbreak of the pandemic our donations have decreased. (Ruedi Hächler, National Coordinator)
