- Please pray for the GLT- training, which we have postponed to early February, that we will be able to do it.
- Please pray that we will find the right person (if possible a woman) to complement our course team and that God will prepare her.

Juropa

Prayer Requests:

- On November 7th there will be the retreat of the board of Juropa.
- Until November 30th: handing in all the documents for the code of honour, which means a very extensive and intensive work and requires wisdom.
- Annual planning, goals for 2021
- The date for the staff module had to be moved from February to May 1 and 2, 2021.

Sarina Schröder

- The leaderweekend of the BESJ region Obersee on 31.10. in Einsiedeln was unfortunately cancelled. Now we are trying to find a postponement date.
- From October 3 - 10 I was part of the BESJ leadership course. Some participants are motivated for a short-term assignment.
- Although I have remained at my 40% employment so far, I have found loyal supporters who donate to my salary.
- Juropa-Staff-Team: 5-10 volunteers are wanted

Youngstars International

Thanks:

- During Daniels vacations the country leaders met for prayer and independently decided what kind of courses they would need in 2021.
- The fact that we can make Youngstars in Switzerland, the time I spent with the children last Saturday, gave me again new motivation for my work with Youngstars Intern.

Prayer Requests:

- Various people are now filming sections for our promotion clip for Youngstars International. Please pray for good success.
- From 26 to 30.11 the board retreat of Youngstars International will probably take place in a virtuoso manner. Please pray that we still have a good and efficient meeting.
- For the country leaders that they will stay on and be motivated in this challenging time.
- Please pray especially for Kolya (UA) who has lost his father because of Covid and for Simona (RO) who is sick with Covid.
