

Youngstars International Prayer December

Ukraine :

Odessa OM

- Last summer we organised a summer camp in N-Novorossiyskaya and went on a hike for the teenagers. Our aim is to create a new group there.
- We were offered a house with land at the salt lake. We could set up an office there, live there as a family and there is enough space to organise Youngstars afternoons or small camps and courses. We pray for wisdom and sufficient finances.

Odessa Heritage

- Odessa Heritage still needs additional leaders, and we are also working on a concept for the groups.

Kiev

- We need more leaders for our groups. Wisdom in dealing with social networks to motivate children for live meetings.

Bulgaria:

- For a month now we have been making the Youngstars afternoons online. Even children from far away places take part. But the participation of more children also challenges us even more, so that we can involve the children personally.
- Wisdom for camp and course planning 2021.
- Stable and mature leaders who are motivated to continue to grow and contribute.
- The government also needs wisdom. There is more and more resistance and protests against the pandemic measures imposed by the government.

It is in vain that you rise up early and go late to rest, eating the bread of anxious toil; for he gives to his beloved sleep.
Psalm 127; 2

Juropa

Prayer Requests:

- Finances: we are struggling for a positive annual financial statement so that we can urgently transfer money to Youngstars International before the end of the year!
- The work for the code of honour is finished. The documents can now be submitted.
- Annual planning, goal 2021 and that the great work also bears fruit

Sarina Schröder

- I am looking for influencers in different regions of Switzerland. They should share and promote the concerns of Europe (Instagram, Facebook, etc.)
- Planning staff module on 1 and 2 May (leader team, accommodation, flyers)
- Thank you for the open doors and hearts of the Youngstars leaders in Switzerland for investing on an international level.

Youngstars International

Thanks:

- for carrying through and for the possible activities in 2020 also for being provided for.
- some sequences for our promotional video have already been made.

Prayer Requests:

- For the promotional video, maybe we have someone who can edit it professionally, please pray that he will do it.
- When I put together the budget for 2021, I realised that we urgently need more supporters.
- For the national coordinators, that they stay tuned and motivated in these challenging times.
- Please continue to pray for new contacts in European countries where there are no Youngstars groups yet. I have contacted the couple from Latvia but have not heard anything yet.
