

Horgony Egyesület (Réka Ujvári National coordinator Hungary):

- We are grateful for our volunteer team and the 2 new YS groups we have!
- This year we are planning 2 turns of teen camp at the summer: pray for our team to cope with the new challenges in the organising part, and that many children and leaders would take part.
- For the forming training system: wisdom in the planning, leaders who are willing to train the participants, and the 3 trainings planned at the beginning of the summer.
- We might have an opportunity to receive some financial support from the Hungarian Government, pray that God would prepare our way in this.
- Pray for new YS groups: to find the churches that would be open for YS vision, and all the work behind our YS groups (learning more and more about experiential learning, and how to mentor other leaders working with teens).
- New leaders for BIKÁ camp (not right now, but Attila and Erika Takács would like to resign in a few years, and they would like to see some potential leaders who could fill their places in the future).
- For Covid-restrictions to loosen up so we could meet with the teens personally again.

Then Jesus said, „Did I not tell you that if you believe, you will see the glory of God?“ John 11: 40

Prayer Requests:

- That the Covid restrictions will be relaxed throughout Europe and that it will be possible to meet with Youngstars groups in person again.
- The strategic meeting with BESJ (Bund Evang. Schweizer Jungscharen) had to be postponed until March.
- Implementation of the new PR strategy: We need new supporters!
- Volunteers: The goal for 2021 is to find 20 volunteers for outreaches.

Sarina

- Together with the National Coordinators, we are planning an online escape game that we might be able to run at the BESJ Team Festival in March.
- Revision of the documents for the outreaches.
- Personal contact with possible outreaches for appeals and goal-oriented discussions.

Youngstars International (Daniel H.)

Thanks:

- I have had very valuable conversations with people I have asked for the board, and we already have one commitment.
- Romania will now definitely get the car we have been praying for.
- I now have two people working in the field to help us put together the promotional video. Alexei from Moldova and Anil from Switzerland. We will probably have a meeting together on 11.02.
- We are planning a new project in the summer, a Youngstars "Oldstar" fire night for former leaders. I have already received some positive feedback.

Prayer Requests:

- On 13.02 we will do an online training for the leaders in Brazil. Please pray for good communication and wisdom.
- Please pray for the preparations of the Escapegame, if we can really do it at the BESJ Teamfestival it has to be really well worked out.
- Please continue to pray for new contacts in European countries where there are no Jungschar groups yet.
