

Perlas del Caribe (Nelsy Chavez Amador National coordinator in Cuba):

- We pray that God heals Cuba from Covid and all the nations, so that we will be able to go to places, bring kids to the church and also to train more people for our national team.
- We pray that God gives wisdom to the Cuba's government to make some changes to allow all people to get what they need.
- We pray that God helps us keep working and preparing leaders.
- Pray for the children who are not allowed to leave the house due the pandemic.
- Pray for that God gets people to help support all leaders and project in our country

Covid sufferers

- Kolya's wife (country director) in Ukraine has come down with pneumonia. Kolya has also tested positive. His father died of the virus last autumn.
- In addition, the husband of Hensie and Stefan Van der Merwe in Ukraine has fallen ill.
- Jordelio in Brazil has a high fever and has tested positive for the second time. Last year he had already been hit pretty hard. His wife is now also ill.

You make known to me the path of life; in your presence there is fullness of joy; at your right hand are pleasures forevermore.
