

Youngstars Poland (Markus Karzelek Nationalcoordinator in Poland):

Summer camp:

- A few years ago there was an amendment to the law that now allows us to run "real" Youngstars camps with field kitchen etc. This year we want to offer such a summer camp in tents etc. and need a lot of wisdom in the preparations, new tents etc. as well as staff members who are not afraid to try new things.

Contacts with churches:

- The last half year has shown that we have to change our strategy when it comes to contacting communities. The sometimes very positive feedback on our presentations hardly ever results in new registrations for our training courses or even new groups. We need a lot of wisdom to find a more effective approach.

Twelve months and no end in sight:

- This Easter feels like déjà vu for us. Once again the schools, kindergartens, shopping galleries, etc. are closed. This has become really wearing for our Youngstars leaders. Please pray for patience, perseverance and hope. And above all, that we will soon be able to hold Youngstars meetings again.

*This, then, is how you should pray: Our Father in heaven, hallowed be your name...
Matthew 6; 9*

Prayer Requests:

- The strategic meeting with BESJ (Bund Evang. Schweizer Jungscharen) resulted in new perspectives and concrete courses of action that encourage us.
- Board meeting 24 March: we are unanimous to implement the next steps discussed with BESJ.
- Implementation of the new PR strategy: we urgently need new supporters!
- General meeting: mailing of information to follow; part will be online! please continue

Answers to prayers:

- The relaunch of YoungstarsWiki was completed in time for the BESJ Team Festival. It is worth taking a look at the new wiki: <https://www.youngstarswiki.org/de>
