

Micii Exploratori (Simona Moașă, National coordinator Romania)

- We are very grateful that we have received a car for Micii Exploratori from Switzerland and that it is now registered in Romania.
- There are two introductory courses planned, one in June and the next in July in two different regions.
- On 7 June there will be a Zoom meeting with all the leaders.
- We need two new board members.
- Next year the full time team will grow and we need more financial support.

And we know that in all things God works for the good of those who love him, who have been called according to his purpose.
Romans 8: 28

Juropa

Prayer Requests:

- 1 June: further strategic meeting with BESJ representatives, Youngstars International and Juropa.
- We are looking for someone to help us update the social media and our homepage respectively and thus give Juropa a face in the public.
- We are looking for another board member

Sarina Schröder

- Juropa is running an online week of prayer from 14 to 18 June.
- Preparations with two Youngstars leaders who are doing a summer outreach.
- In my conversations with the Nelsy in Cuba I learn about their challenging situation (lockdown, food is getting scarce, prices are rising)
- 10 participants took part in the 1st Oldstars meeting in Eastern Switzerland and said that such meetings should definitely be continued. They appreciated the open exchange. Next Oldstars meetings: 5 June in Köniz, 12 June in Stäfa! The aim is to inform former leaders about the national and international Youngstars network and to win their support again.

Youngstars International (Daniel H.)

Thanks:

- For the intercultural module, only 4 participants came. But we had a rich exchange of experiences. I was happy that we were still able to hold the day and was very encouraged afterwards.
- Youngstars Moldova was able to do an introductory course from 06-08.05 with 60 participants from 24 churches. It was great, but we also pray that this will lead to regular youth groups.

Prayer Requests:

- From 03-06 June I will be in Hungary for the leadership training, please pray that the course will leave its mark and that everything will work out with the travelling.
- We had to postpone the planned introductory course in May in Kiev to 10-12 June. I thank God that Markus K. will step in at short notice and help me with the course. We are expecting between 20-25 participants, some of whom come from churches that do not yet have a Youngstars group. Please pray for them to understand and be enthusiastic about YS and also for the trip.
- Please continue to pray for new contacts in European countries where there are no Youngstars groups yet.
