Juropa

Prayer Requests:

- From 4 - 9 July Fabian Stuber is doing an outreach in the basic training in Hungary.
- The meeting with the BESJ representative fostered understanding for closer cooperation. What is needed now is the right implementation.
- Pray especially for someone to help us update the social media and our homepage to give Juropa a face in the public.
- Another board member

Youngstars International (Daniel H.)

Thanks:

- The leadership training in Hungary really left its mark. At least 4 people communicated either to get more involved in children's work again or to start a new youth group.
- A team from Hungary wants to help us build up the camp in Romania.
- In the introductory course in Kiev we were able to communicate the idea of Youngstars and the holistic/experience programme to the 20 participants. This was shown in the programmes they did on Saturday in the park with 20-30 kids. And the result was very great.
- I already have at least 15 registrations for the experiential education course in September, almost all the national leaders will be there.

Prayer Requests:

- I will be in Romania from 17-24 July for the basic course. Please pray for protection (rafts) but also for change of the participants.
- I have only 4 registrations for the international team leader course. We pray for at least 10 participants.
- Please pray for the board in Romania. Talks are going on about a second employee. Please pray for guidance.
