

ABÖJ (Ruedi Hächler, Nationalcoordinator Austria)

- From 21 to 27 August, the basic course took place in Koblach in Vorarlberg. We are grateful that we were able to hold a course again for the first time in almost two years. We pray that the participants will return to their churches richly blessed and with much motivation.
- The last Youngstars camp came to an end in mid-August. All six planned youngstars and teen camps could be held without any problems. It is a great privilege to make God's love known to the children through the camps.
- In mid-September, the Youngstars groups in many churches start the new school year. We pray for motivated teams, many good ideas and that the children will be happy to be invited.
- From 1 to 3 October we will have our national Youngstars Congress, which has been postponed for a year. We hope for many registrations, success in the preparations and that the congress will rekindle the Youngstars fire in Austria after the lockdown.

*Therefore we do not lose heart. Though outwardly we are wasting away, yet inwardly we are being renewed day by day.
2 Corinth 4: 16*

Prayer Requests:

- The meeting with the BESJ representative fostered understanding for closer cooperation. What is needed now is the right implementation.
- Benj Jenni had an accident at a Jungschar event. He starts his studies at the TDS in Aarau in September. Therefore he will only work 10% for the YoungstarsWiki until the end of the year. We are looking for a follow-up solution.

Youngstars International (Daniel H.)

Thanks:

- For a successful basic course with 12 participants. Thanks also for the protection, apart from minor "aches and pains" there were no accidents. We praise God also for the changes in the participants through the theme.
- Finally, we now have 8 participants for the team leader course, as two have cancelled. Cosmin from Romania has agreed to co-lead and so the team is now complete.

Prayer Requests:

- Please pray for a blessed team leader course (27.08-02.09).
- Please pray for the experiential education course and NCM in Italy (05.-11.09), it is still uncertain whether Jordelio can come from Brazil. Please pray that it will be possible. Nelsy from Cuba, the Spanish and two from Ukraine unfortunately cannot come. Even though some will not be there, I pray that this course will bring us closer together as a national coordinator team.
- Please continue to pray for Romania and the process of a second staff member.
- We are still looking for at least one new board member for Youngstars International.
- Please continue to pray for new contacts in European countries where there are no Youngstars groups yet.
