

SIP Youngstars in Bulgaria

(Hans-Georg Gerster, National Coordinator Bulgaria)

- Our team of the Gorna Oryahovitsa Youngstars group has almost abruptly become much younger. Most of the experienced leaders are so busy with school or work that they can no longer help out. Instead, we have four new leaders who attended the basic course this summer. Sascha and Hristian are often prevented from coming to the preparation meetings. It is our wish that a few new children would join us.
- The two groups in Stara Zagora and Gabrovo need new motivation. They have not started yet this autumn. The restrictions of the pandemic also make it very difficult. Starting new groups in Sofia is therefore also difficult.
- Our previous office worker Magi got married on 6 September and moved to Sofia. It was a real Youngstars wedding at the camp site in Kavlak. Now Hristo is working in the office and has settled in very well.

Devote yourselves to prayer, being watchful and thankful

Thanks:

- I am very grateful for the process of restructuring YSint that is now underway.

Prayer Requests:

- From 11-14 November, the board of Youngstars International will meet for a few days in Germany for a strategic reorientation. I will also be there. Please pray for God's guidance.
- Please continue to pray for Romania and the process of a second employee. We will have a board meeting in Romania from 25-27.11 where we will discuss and decide on this issue. Please pray for God's guidance here as well.
- We are still looking for at least one new board member for Youngstars International.
- Please continue to pray for new contacts in European countries where there are no Youngstars groups yet.
