

Youngstars Spain (Dan Adrover, National Coordinator Spain)

- In December we had a planning meeting with the leaders.
- Pray that each leader will be a light in their church and a role model for the youth.
- Dan Adrover is travelling to the USA in January to seek more financial support.
- Joel Torrero, full-time staff member at Youngstars Spain: Recovering from his wrist surgery recently.

For everything God created is good, and nothing is to be rejected if it is received with thanksgiving, because it is consecrated by the word of God and prayer. 1. Tim 4; 4

Youngstars International (Daniel H.)

Thanks:

- In December I was in Barcelona for a strategic meeting. I am grateful that the trip was possible with extra effort (2 PCR tests). I now understand better why Youngstars Spain works a little differently than most countries.
- We now have 4 commitments for the Youngstars International Board and one response is still pending. Let's pray that the right people will then be elected in March.
- We received a larger donation of 1000.-Sfr in December.

Prayer Requests:

- From 21-23 January we are planning to hold an introductory course in Latvia. Please pray that this course will be possible and that they will be able to start with the youth group in February.
- We are preparing for the course in Brazil which is planned for February. Again, please pray that it will be possible to travel there and run the course.
- We are working on the 2022 annual budget, please pray for wisdom.
- Please continue to pray for new contacts in European countries where there are no Youngstars groups yet.

Juropa

- Benjamin Jenni: will leave YoungstarsWiki at the end of 2021; pray for a new suitable person from the Youngstars International Pool.
- The area of outreach will be transferred to BESJ with immediate effect: pray that this will lead to more talented, motivated leaders coming forward for outreach.
