Situation in Ukraine

- **Hensie Van der Merwe** has moved back to Odessa with her family.
- **Nikolay Niuniaiev** is also back in Odessa with his family. They are expecting their third child at the end of August or beginning of September. They will organise humanitarian aid for the south of Ukraine during the summer. Various church communities will then distribute this aid. His Youngstars children are now all evacuated abroad. Some have found comfort in their new home country, partly because Nikolay keeps in touch with them via Zoom. They meet digitally on Fridays.
- **Slavik** is currently in Romania with his family. In the summer, he wants to offer summer camps for Ukrainian refugee children in Romania in cooperation with Micii Exploratori.
- **Oxana, Darina** and **Anja** will travel to Poland for a fortnight on 12 July by Flixbus. There they will help Markus Karzelek (Country Director of Poland) in the Youngstars Camp. There will be some Ukrainian children with them. These three women attended the BESJ course in Switzerland in spring.
- **Olga**, who also attended the BESJ course, returned to Ukraine in May. She is organising a day camp for 150 refugee children in the Kiever region from 11 - 17 July. They are dependent on donations. From 25 June she will start again with the Youngstars afternoons and wants to make this a regular event again.

Youngstars International (Daniel H.)

Thanks:

- The introductory course took place in Latvia from 17-19 June. Between 6-10 women took part in the course. They were very enthusiastic and at least 6 women want to help Ronalds with the YS group.
- Almost all the money from the charity race has come in. PTL!!!
- We already have 14 registrations from 5 different countries for the international trainers' course in Romania at the end of August. We already have 14 registrations from 5 different countries for the International Instructor Training in Romania at the end of August.

Prayer Requests:

- Unfortunately we had to postpone the teambuilding for the S-Board on 11/12.06. Hensie was not allowed into Poland without a visa and so she had to turn back home to Odessa. The new date is now planned for September. Hensie is already trying to apply for a visa, please pray that she gets it soon.
- For all summer activities in the Youngstars network.
- Please continue to pray for new contacts in European countries where there are no Youngstars groups yet.

*After this, the word of the Lord came to Abram in a vision: Do not be afraid, Abram. I am your shield, your very great reward.
Genesis 15: 1*

Juropa

- Thanks for the good cooperation with BESJ: the responsibility for outreach was handed over to BESJ. Now we pray that by the end of the year a volunteer team can be formed to do this.
- Handing over responsibilities to Youngstars International: in the area of public relations, Youngstars International is to take the lead. A team has been formed for this purpose. Let us pray for wisdom and creative approaches.

please continue to pray:

- that new Youngstars groups will be formed in the coming months
- for a new treasurer on the Juropa board
- Pray for a new suitable person as project leader for the YoungstarsWiki from the Youngstars International Pool.
