

**ABÖJ (Youngstars Austria)**

- We were able to run all the Youngstars and teen camps as planned. The many great leaders enabled the children to have unique experiences as pirates, explorers, Moses' companions or in Narnia. A special joy was that we were able to run a tree house camp with teenagers for the first time.
- In the past few months we were able to help three churches start a new Youngstars group.
- We pray for a good start to the new Youngstars year. That all teams will have enough leaders and that the children will be happy to be invited again.
- At our next general meeting we would like to enlarge our board team from ABÖJ.
- Finances are always a big challenge. We pray especially for regular donations.

**Youngstars Latvia (National Coordinator Ronalds Svarups)**

- In Latvia, the first Youngstars club afternoon started on 14.07. with 25 children. We are very thankful for all the children who participated.
- We are also thankful for our team. We hope that the leaders will be able to stay and make time for it.
- We pray for enthusiastic children who would like to come to the Youngstars clubs.

**Youngstars International (Daniel H.)****Thanks:**

- For all the Summer camps through which children could hear the Gospel.
- Jordelio took 164 children to the camp in Brazil instead of the planned 80. As a result, 5 new churches are now interested in Youngstars.
- Hensie has finally got her visa for the EU after many attempts. PTL!!!!
- For the intern. Instructor training, in the end we had 19 participants and 4 leaders from 7 countries. God used this course very much and we had a great unity and dynamic.

Prayer Requests:

- For all the children who have heard the Gospel this summer. For those who have not yet taken the step, that the seed may sprout and for those who have decided that they may continue to grow.
- For the Micii Exploratori board meeting in Romania from 15-17.09, which I will also be attending.
- For the teambuilding for the board and me of Youngstars International from 24-25.09 in Germany.
- European countries where there are no Youngstars groups yet.
