

Youngstars Italy (Valentino Mistreanu National Coordinator)

- Youngstars Italy still consists of two groups of Youngstars: Sassuolo and Volturara.
- Sassuolo has unfortunately lost their meeting place. They had a site with a house outside the city which they used for the Youngstars meetings. Unfortunately the neighbours filed a complaint and at the moment they are meeting in the church in town. Let us pray for a good solution to the situation!
- In Volturara we meet in two age groups (Piccoli Fiaccole and Giovani Fiaccole). A special concern for our mini-leaders is that they enjoy being involved and are committed.
- In Volturara we have a great group of 12 year olds. We are happy to accompany them on their journey through life. We would like to offer an additional event for them, but we are still clarifying how far this is possible.

YoungstarsWiki.org

- We as the YoungstarsWiki.org board realise again and again that our time is scarce and that we do not always have enough free time capacities as desired for the voluntary board work. We are grateful for prayers for good time management.
- There are decisions to be made regarding the appointment of a project leader.
- We have a board retreat on 3 November. We want to move forward efficiently regarding the future direction and also regarding the cooperation with Youngstars International etc.

Youngstars International (Daniel H.)

Thanks:

- For the unit in the intern. Instructor Training and for the success. God spoke to the participants and changed them.
- For the team building for the S-Board of Youngstars International and me in Germany, the team got closer and we got to know each other better.

Prayer Requests:

- I will be in Brazil from 9 to 22 October. we will have an introductory course from the 14th-16th with 30 participants and the group leader from the 16th to the 21st with about 20 participants. Please pray for us as a team and that we can hold the lessons in a way that the participants can understand and absorb.
- Please pray for the process of my successor and that the S-board can see God's guidance.

*...give thanks in all circumstances;
for this is Gods will for you in Christ
