

SIP Youngstars Bulgaria (Hans-Georg Gerster National Coordinator)

- At the start of the season we had some new children in the Gorna Oryahovitsa Youngstars group. Our assistance leaders are still very non-committal and often cancel at short notice. We pray for more conscientiousness and self-discipline in the team.
- A few Youngstars leaders want to start a Youngstars group in Sofia. First clarifications are underway. Let us pray for unity in the team, which consists of different characters and comes from different churches.
- On 22 October we had the opportunity to present the Youngstars ministry at a bigger event. We hope that we will be able to start more new Youngstars groups.
- We are already planning courses and camps for next year. For this we need wisdom and the right staff.

Youngstars International (Daniel H.)

Thanks:

- For the time in Brazil, it was very blessed. We were able to do an introductory course with 37 participants from 9 different churches. They were very enthusiastic and many want to start a Youngstars group. Afterwards, we started the group leader course with 17 participants from the Sao Paulo Youngstars group. This course was also a great success.
- Last week Ronalds from Latvia confirmed to me that he would like to plan a camp in June 2023. A couple from Switzerland has already written to me that they would like to accompany me.

Prayer Requests:

- On 08.11, I will be leading the afternoon of the 60+ group in the Prisma church in Rapperswil. Afterwards I will lead the prayer evening also in Prisma.
- On 11/12 November I will be at the weekend of the region Graubünden. It will be about intercultural Youngstars. Please pray that I can inspire the participants for outreaches with Youngstars International.
- From 17.11 to 20.11 we will have a retreat with the S-Board of Youngstars International. It is about strategic planning and the process of my succession. Please pray for God's clear guidance.

*I will praise God's name in song and
glorify him with thanksgiving
