

Radicaïs (Youngstars Brazil, Jordelio Souza - National Coordinator)

- The year 2023 began with a lot of good news for the Radicaïs. After a few months of waiting, the government released all the needed documents for us to become an official organisation 'Radicaïs' in Brazil.
- From January 16th to 21st we had our summer camp with 200 participants, living the theme of 'FREEDOM' based on the life of Moses.
- We will start the activities of 2023 with five Radicaïs groups, three in São Paulo and two in other states (Espírito Santo and Bahia). We will also start the planting of five more groups of Radicaïs throughout Brazil.
- And in April we are very happy to have the Leadership Training in Brazil.

We would like to ask for prayer:

- For the leadership of the Radicaïs
- For finances for the upcoming trips within Brazil for the planting and supervision of the groups. Brazil is a large country and travel is costly.
- For prayer for the training courses
- For new groups of Radicaïs

- that more than 20 Youngstars leaders from the BESJ are interested in an assignment in 2023. We pray that we will find the right place for everyone and that many blessings will flow.
- that a new project leader for Youngstars-Wiki has agreed to join us. We pray that God will enable him with wisdom, courage of faith and foresight.
- for the positive financial end of the year - trusting in our Heavenly Father, we prepare the new budget in February.

Prayer Requests:

- Pray for success in writing the annual report and compiling the documents for the Code of Honour.
- 24 February: YoungstarsWiki general meeting - we urgently need more members who share our vision!

Youngstars International (Daniel H.)

Thanks:

- The team for the LST course in Brazil in April is already relatively complete.
- Marcel Klausberger will start working part-time for Youngstars International and will be responsible for marketing.
- We have 13 short-term opportunities for courses and camps this year, but at the same time we are praying that many leaders will be willing to go to another country.

Prayer Requests:

- On 07/08.02 Mirjam Klausberger and I will be in Italy to clarify with ASEI how we can better work together.
- Further for the process of finding my successor, and that the right person can be found. So far we haven't found anyone.
- we are looking for a person who could help us with the administration.
- In February we should submit the application for EU grants for our experiential and technique course in August. It is a lot of paperwork, so please pray that we can get it all done and that we get a grant.
- Please continue to pray for new contacts in European countries where there are no Youngstars groups yet.
