Thanks:

- Month after month we marvel at God's provision and pray that HE will continue to give us abundantly so that we may give abundantly to the international Youngstars movement. The needs are growing.

Prayer Requests:

- Kathrin Bühler, board member, is about to give birth; they are expecting twins!
- Continuous prayer: pray earnestly for more workers, so that groups will grow and new ones will be formed!

Youngstars International (Daniel H.)

Thanks:

- From 18-25 April, the leadership course took place in Brazil. There were between 30-40 participants. We had a blessed time passing on the basics of Youngstars to the „jung“ teams.

Prayer Requests:

- From 10-13 May we will have our annual national coordinators' meeting in Poland. Please pray that we will have good fellowship and that the national leaders will go home encouraged and blessed.
- Youngstars Moldova does not have a new national coordinator after all, as the person who was approached now has a burnout. At ABÖJ Austria two staff members are leaving this summer. Please pray for new vocations.
- Please pray that I will soon be able to put together a team for the international Youngstars technology and experiential education course in August.
- Also for the process of finding my successor and that the right person can be found. So far we do not have anyone. And for a person who could support us in the administration.
- Please continue to pray for new contacts in countries where there are no Youngstars groups yet.
