

SIP Youngstars Bulgaria (Hans-Georg Gerster National Coordinator)

We have a very intensive summer behind us. Many children and young people spent precious days with us at the campsite in Kavlak during 6 weeks. Some children decided to follow Jesus. For example Mitko (10), who comes from a gypsy family.

- Let us continue to pray for these children, as they often come from difficult backgrounds. It was especially gratifying to see how God worked on children with behavioural problems. We would like to visit some of the children at home to talk to their parents.
- Let us also pray that new Youngstars groups will be formed so that the children can experience this throughout the year.
- That the Youngstars group in Sofia can get out of the starting blocks and take off.
- Another concern is the start of the Youngstars group in Gorna Oryahovitsa: We are expecting 7 new leader-helpers in the team and therefore big changes!
- Christko is starting his studies and will therefore only work 50% for SIP. We are in the process of clarifying another part-time position.

Peace I leave with you; my peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid. John 14: 27

Youngstars International (Daniel H.)

Thanks:

- For all summer activities and for the children and young people who have made a decision for Jesus
- For the Intern. YS-Technology and experiential education course. We had 28 participants from 6 countries. I think the course was successful and we were able to pass on a lot of know-how and spiritual experiences. Thanks also in particular for protecting us from accidents.

Prayer Requests:

- Continue for Youngstars Moldova to find a new National Coordinator.
- Continue for the ABÖJ for calling new workers.
- Continue to pray for the process of finding my successor and that the right person can be found.
- Please continue to pray for new contacts in European countries where there are no Youngstars groups yet.
