

Youngstars Italy (Valentino und Mirjam Mistreanu - National Coordinator)

Thanks

- We look back on the summer months with gratitude! We were able to run a mini-leaders' course, 2 camps, 10 days of Youngstars week (afternoon programme) and a 3-day trek with teenagers. We were able to experience preservation, made new friendships and renewed others. Connected with new families from the village and just had a blessed time with the children.

Prayer request:

- Now we are planning for the year. We ask for guidance and wisdom. We want to be guided by the Lord and find a good balance with church, Youngstars work and family time.
- We pray for the start of the Youngstars groups in Volturara on 10 October! We would love to see another great group of children come together. We work alternately with the Giovani Fiaccole (Youngstars group 9-12 years old) and the Piccole Fiaccole (Youngstars group 5-8 years old).
- We pray for the Youngstars group in Sassuolo (Northern Italy), they are doing a great job. We pray for preservation and good workers!
- We pray for co-workers! May the young leaders show more commitment and make a real decision for Jesus.

Thanks:

- We are grateful for the faithful supporters who help to sustain the YoungstarsWiki.org association.
- A great answer to prayer is our new project leader Emanuele, who has been employed 20% for YoungstarsWiki.org via Juropa since February 2023.
- This year we have already been able to promote YoungstarsWiki.org at several YS events in different countries.

Prayer request:

- We ask for wisdom in all decisions and good time and resource management for the YoungstarsWiki.org board.
- From January 2024, the YoungstarsWiki.org association will have to finance the employment of the project manager Emanuele itself and therefore we need more financial supporters. We would be happy to find people, organisations and companies who are willing to sponsor an amount of money.
- Currently we don't have many members and we would like to attract new ones.
- We are also looking for new board members who are willing and have time to contribute their know-how to the YoungstarsWiki.org association.

*Nothing can hinder the Lord from saving,
whether by many or by few.
