

Youngstars Spain (Dan Adrover National Coordinator)

- This year, all the outdoor activities that Youngstars Spain used to do will now be under Sixsport, the Athletes in Action ministry in Spain, part of CRU. This supposes a lot of changes that will be very good for the Kingdom but challenging at times. Pray for a smooth process of integration of the outdoor activities with the new ministry of Sixsport.
- I (Dan Adrover) will keep leading the outdoor activities in Sixsport, and I'm part of the full-time staff of this ministry now. Abi and I are very happy and excited for this new stage in our lives and ministry, and we know that God has prepared us and led us to this moment. Pray for wisdom as we manage all the changes and details.
- On a personal note, Abigail and I will be moving homes in March, so pray for all the details to go smoothly, and that God will use us to be a wisdom in the new town that we are moving to.

Youngstars International (Daniel H.)

Thanks:

- Thank you for the prayer for the leadership Training in Latvia. There were between 6-7 participants who were very enthusiastic about the course. Please continue to pray that the team will really catch the "Youngstars virus".
- We now definitely have a new National Coordinator for Moldova who sees Youngstars as his calling.
- Last Friday, we were able to introduce Youngstars to a couple from southern Spain. They are very interested and receive a lot of support from the OM leadership there.
- 50 participants have now registered for our NCM (National coordinators' meeting) in Switzerland in March.
- For the visa for Cuba, which we have now received in good time

Prayer Requests:

- Please pray for the leadership training in Cuba, which we will be running from 7-13 February. There should be about 20 participants. Please pray that we can pass on the lessons in an understandable way, but also for all logistical and organisational matters. This is a challenge in Cuba at the moment.
- Please pray for the preparations for the NCM, that it will be an encouraging meeting. Also for the charity race, that we may find many sponsors.
- In general for new supporters, from May to July Youngstars International would like to employ my successor at 50% and then from August at 100%. This will of course challenge our budget.

Be strong and courageous. Do not be afraid or discouraged ..., for there is a greater power with us than with him.

- 21 February Board meeting: annual planning, budget, anniversary and goal setting will challenge us enormously
- Good communication: pray that we will be able to continue to provide our friends with exciting, informative and sufficient information
- Staff team: pray for wisdom for our staff, for Daniel Horst and his family, for Cornelia and Emanuele (YoungstarsWiki)
