

Perlas del caribe (Youngstars Cuba) (Nelsy Chavez - National Coordinator)

Prayer request:

- We ask for prayer for the economic situation of our country, especially the problem of transportation and food for the implementation of the Perlas programs with the children and for the implementation of the Introductory Courses.
- For being able to create a national Perlas team this year
- That we have more opportunities to organise an introductory course to multiply Perlas
- That we can realise the 3rd introductory course that we have planned this year
- That churches that already have Perlas groups and after completing the LST training can multiply in their local groups and in other new churches.
- Wisdom that we know how to implement Youngstars in our cultural context

Draugu Cilts (Youngstars Latvia) (Ronalds Svarups - National Coordinator)

Prayer request:

For the summer camp:

- Everything is still in the planning process.
- On 17.04 we have the programme meeting, please pray for creative ideas.
- We also need more Latvian leaders in the team.

For the Youngstars club:

- For the YS team and what Youngstars should look like in Latvia. The number of older (11-13) children is decreasing. Maybe something else is the reason but here we need wisdom right now.

Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go. Jos 1; 9

Youngstars International (Daniel H.)

Thanks:

- For the NCM, I think we had a very encouraging successful weekend with many enriching encounters.
- At the charity race we were once again able to reach our donation target of 10,000Sfr. PTL!
- Our project has been accepted by TeensStreets (OM) and so we are one of the three organisations that will receive part of the donations.

Prayer Requests:

- There are still some administrative issues to be sorted out as to how Cosmin can be employed, please pray for the YSint S-Board for wisdom.
- We are still looking for someone who could support us in administrative work.
- In general for new supporters, from May to July Youngstars International will employ Cosmin, my successor at 50% and then from August at 100%. This will of course challenge our budget.

Juropa

Prayer Requests:

- 2 April: Preparatory meeting with the church Prisma for the anniversary on 30 June
- 23 April: Video recording for a video about the collaboration between Juropa and Youngstars International
- It is very important to us that all Juropa members attend the General Assembly on 24 May this year
- Due to the upcoming changes, there is more work to be done; success, wisdom, strength
