Youngstars International (Daniel H.)

Praise:

- For the many possibilities of courses and camps this summer
- From 17-21 June we had the So-La in Latvia. As a team we had a great time and despite the challenges we were always able to make decisions in unity. Some of the children now also want to walk with Jesus. Please pray for them, that they will be able to keep going even if they are no longer at the camp.

Prayer Requests:

- We are still reviewing Cosmin's employment options, please continue to pray for wisdom for YSint's S-Board.
- Furthermore for a good induction of Cosmin
- From 29.06-06.07 we have a teamleader course in Italy with 10 Italians and 3 Bulgarians.
- From 26.07 to 01.08 we will be represented at Teensstreets with a Youngstars International stand. Please pray for new contacts and deep conversations.
- Cosmin needs a new laptop
- For new Youngstars groups in existing but also in new countries. As the "New Countries" working group, we have been thinking about strategic steps to reach "unreached" countries in Europe with Youngstars.

Juropa

Prayer Requests:

- 30th of June: celebration of 20 years Juropa and service in Prisma church with Cosmin and Hensie - we pray, that many people really get touched and became faithful supporters of YSint. Please also pray for Hensie and Cosmin's journey to Switzerland, that everything will go smoothly
