

ABOJ (Rudolf Hächler - National Coordinator)

We are looking back with gratitude on a richly blessed summer. Despite very difficult conditions, we were able to hold all the camps. There were also many spiritually moving moments. For example, one of the camp leaders told us. "This year God met a boy at the prayer evening. We organized this on the penultimate evening with various prayer stations. At one of these, the young people had the opportunity to have their feet washed after going through a mud bath. A 13-year-old boy sat down on the chair, beaming, and stretched out his dirty feet towards me. He leaned forward and told me that he had just experienced a miracle. During the introductory prayer, he had prayed quietly and asked God to show Himself to him, as he had been feeling guilty for some time and was struggling to find an answer. Shortly after his request, the boy came to a station where he could draw a Bible verse. This verse not only answered the boy's question, but touched him deeply in his heart as it was completely clear to him that God had heard his prayer and had just performed a small miracle for him."

Thanks:

- For the richly blessed youth camp, teen camp and tree house camp.
- For the many motivated staff members making these camps possible through their commitment.
- In mid-October, we received notification from the tax office. Donations to ABÖJ are eligible for tax relief. This means that donors can deduct their donations from their taxable income.

Pray:

- We are looking for another person to strengthen our team of employees.
- As we are currently preparing for the courses in 2025, we are in need of one or two more person.
- Next summer we want to hold an Adonia Musical Camp for the first time. To make this possible,

"Shout for joy to the Lord, all the earth. Worship the Lord with gladness; come before him with joyful songs."
