

Highlights – we praise God

Youngstars Italy (Mirjam Mistreanu)

- After we "lost" our Teenager group for different reasons, we are pleased that last Saturday we were able to restart with "new" Teenagers a new group in Volturara!

YoungstarsWiki (Emanuele Eusebiu Omusoru)

- We are very thankful for enough funds in 2025. God is faithful and provides.
- The organisation development coaching is going well and I'm still working on new structures and strategy for this year. I'm happy to see God's work in all of this reorganisation.

Youngstars Latvia (Ronalds Svarups)

- We are moving more into Youngstars direction with patches and learning outdoor skills, but also still keeping the Bible in the center.
- Our teamwork is great and we are trying to involve mini-leaders.

Youngstars Brazil (Jordelio Souza)

- The entire month of January was filled with five camps reaching to more than 450 children and teenagers.
- We experienced God's help in the camp in São Paulo. A day before the camp started, we faced a serious issue with the camp's bathroom system which could be resolved within three days. By God's grace, the camp has been happening amazingly.

Youngstars Romania (Simona Moasa)

- We presented Micii Exploratori in a new church and young people will attend the introductory training in February.
- God helped us to write and submit 2 big fundraising projects in the last week. The team is very enthusiastic for this year opportunities.

Summertime 2025 Romania

Youngstars International (Cosmin Tamas)

Highlights

- We are thankful for the good closing of the year with enough time and energy to finish all the tasks.
- January in YI office was a very productive time with a lot of good ideas and decisions for the year 2026.
- We found a good location for the Leadership Training in Cuba.

Requests

- We pray for the Leadership training February 26 – March 9 in Cuba. There is the process for visa that takes a few weeks, protection for the team as there is a dangerous fever spread through the mosquitoes for which doesn't exist a vaccine or a treatment if you got infected. Furthermore please pray that the participants will get the vision and the know-how of Youngstars and that God will speak to their hearts.
- Thanks for praying for the preparation of Introductory Training in Albania March 20–22. We need one or two volunteers who can be involved in teaching in the training.
