

Highlights - we praise God

Youngstars Austria (Ruedi Hächler)

- Preparations for our two courses during Holy Week (28 March – 4 April) have gone well. The new course staff members, Emely (volunteer) and Timotheus (new staff member), have settled in well with our team.
- In various regions, preparation meetings for the summer camps will begin in the coming weeks. The teams are making good progress and are delighted with the many registrations that have already been received.

Youngstars Switzerland (Melanie Zaugg)

- We are delighted with the recent team weekend with around 1,000 people attending (March 13–15). We received many positive feedbacks regarding the participants' experiences, which included talks, worship, fellowship, team sessions and workshops. God kept us all safe.
- Thank you also to all the course staff that is supporting us during the spring courses.

Youngstars International

(Cosmin Tamas)

Highlights

- We are thankful for the Youngstars International presence at the BESJ team weekend, where many young leaders stopped by and had the opportunity to get to know the Youngstars ministry better. Special thanks to Andy and Michelle.
- At the Micii Exploratori (Romania) team-weekend, Cosmin was able to present Youngstars International to more than 100 leaders, many of whom are new to the ministry.
- The introductory Training in Tirana, Albania was truly blessed. The training went according to plan, and we were also grateful for safe travel by car from Romania to Albania.

Request - we pray in confidence

Youngstars Austria (Ruedi Hächler)

- Please pray for us during the course week from March 28 to April 4. The weather forecast is wet and cold, yet we have plenty of outdoor sessions planned.
- We are still looking for staff for some of our summer camps, and for one camp we need specifically a male camp leader.

Youngstars Switzerland (Melanie Zaugg)

- Please pray for the spring courses from April 4–11. For the basic training, we are always dependent on suitable weather. (From the middle of the week, the camp will be at 1,800 metres above sea level.) We've planned some winter adventures, as there should be plenty of snow :))
- We also have the following courses: a teamleader course from April 11–18 and a leader course from April 18–25. We want to equip participants not only with Youngstars skills, but also to share spiritual truths, whether through planned sessions or simply through our presence and actions.

Pictures from the NCM in Romania 2025

Requests

- From April 22–26, we will hold our annual National Coordinator Meeting NCM in Hungary. Please pray for meaningful fellowship, spiritual refreshment, and safe travel for all participants coming from different countries.
- On April 23, during the NCM, we will organize a charity race in which each participant will run to raise funds for Youngstars International. Please pray that we will reach our goal of €20,000.
- Please also pray for volunteers for the summer camps. As the ministry continues to grow, there is an increasing need for volunteers, especially for summer camps and trainings.
