

Youngstars
International

2026

We are excited that you are holding this calendar in your hands.

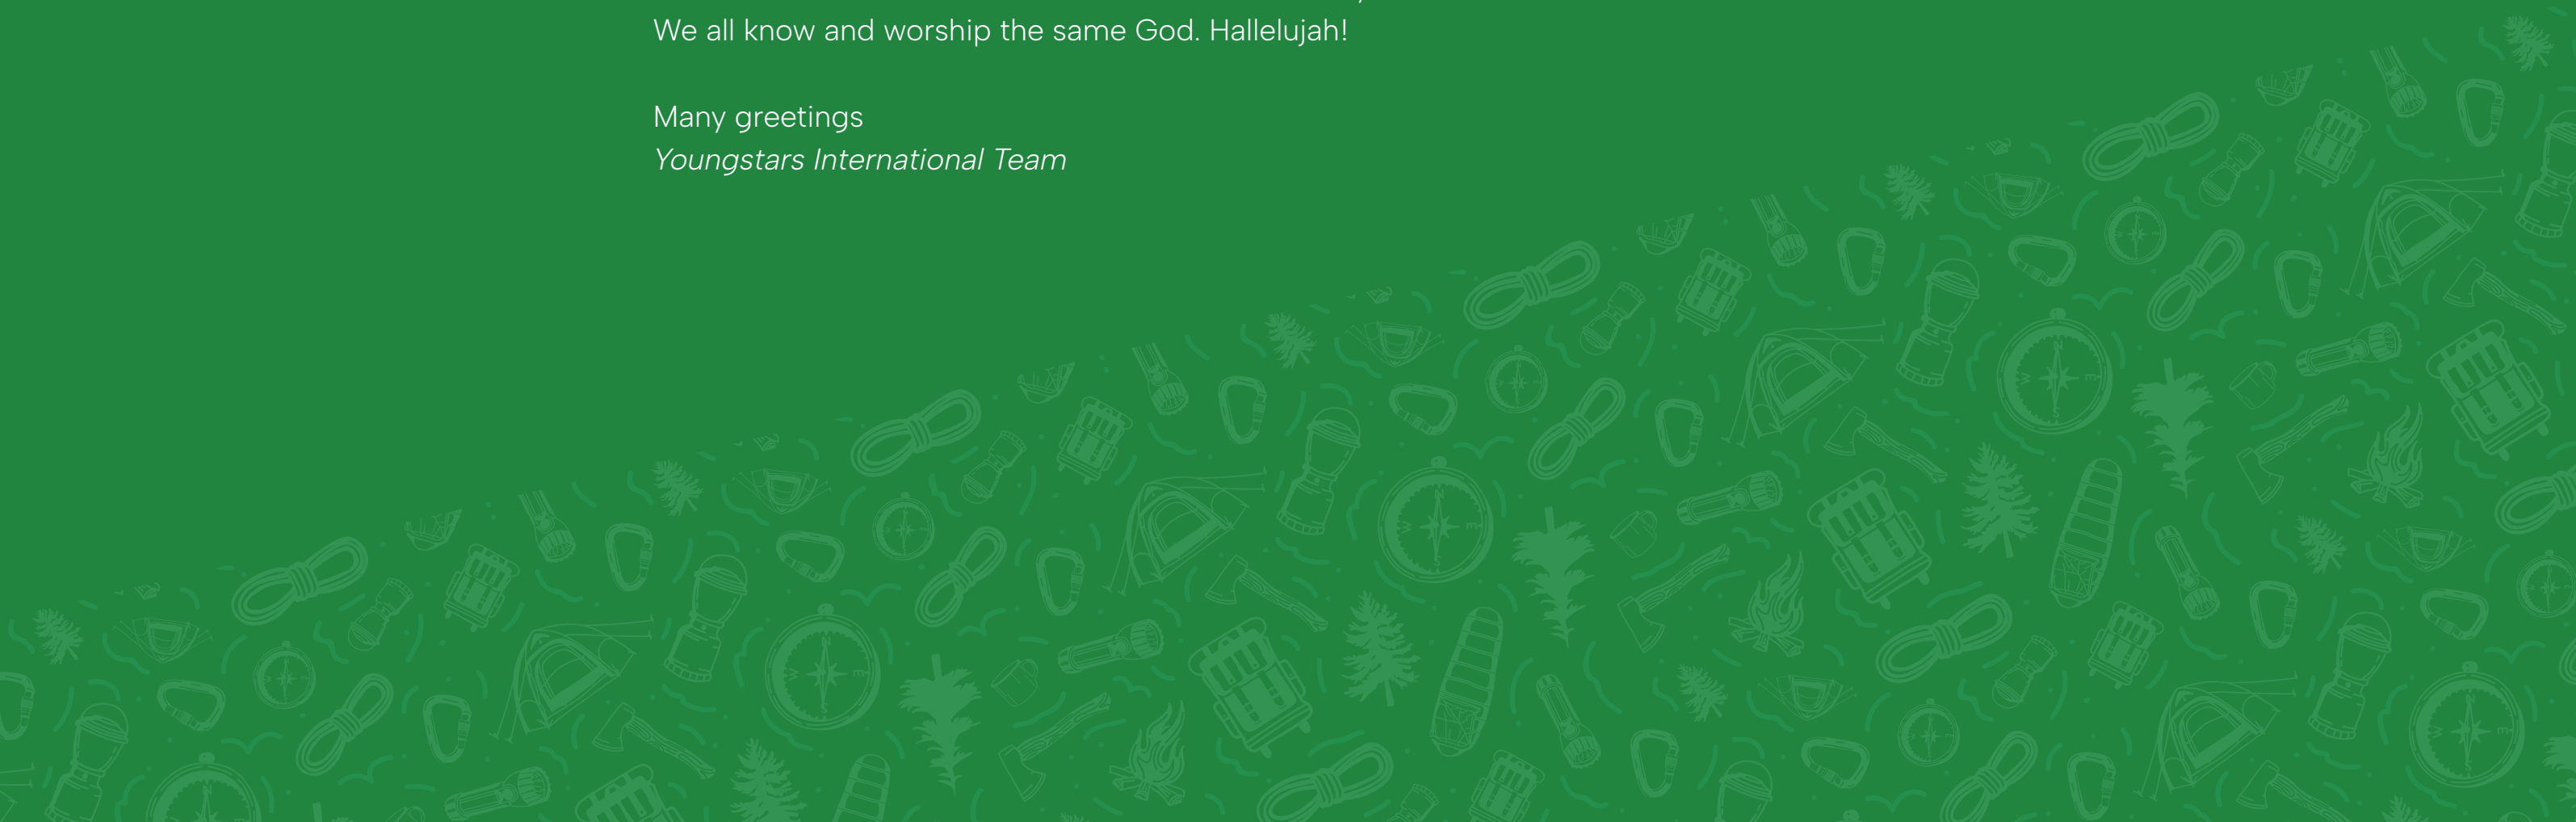

We are confident that 2026 will be a year full of opportunities to see God at work and to be part of it. Youngstars International continues trusting that God is preparing people and steps we can walk in. In 2026 many will be investing again or anew so that children and young people can grow into their God-given potential. Far too often this is left to chance because structures and mentors are lacking.

But YI fills this gap by helping to establish and connect local and independent Youngstars group in different countries. What children learn early on shapes them for life. That is why we teach biblical values and faith in a holistic and experiential way that is relevant to everyday life.

Thank you for joining us on this journey. In this calendar, you will find events and photos from the countries we are in. Behind these are many enthusiastic faces and stories. We all know and worship the same God. Hallelujah!

Many greetings

Youngstars International Team

January
